

# TOGETHER WE MADE IT HAPPEN!

Dear Reading Legacies' Supporters,

We are **EXCITED** to announce that with your generous support, we were successful in receiving the full Johnson Family Matching Grant for our Spring 2016 Campaign.

Your generous donation went **TWICE** as far to provide shared-reading experiences with young children as a **preventative approach to children's future failure** at reading and in school. Shared-reading time also provides powerful emotional benefits; creating security and bonding, as well as a feeling of being valued. The benefits and outcomes are life-changing!

So, **THANK YOU** for **giving generously!**

With Gratitude and Blessings,

Betty J. Mohlenbrock, M.Ed.  
Founder & President

*Through our **Community Connections** program, provide role-modeling experiences for at-risk youth who learn to read aloud with preschoolers in their own neighborhoods.*

*Through our **FAMILY CONNECTIONS** program, encourage bonding and the love of reading in children through shared-reading experiences with children of incarcerated family members.*
