Mothers Connecting Mothers

For many of us, our mother's lap was the place we learned to love books.

At first, we simply listened and looked. As we grew, our eyes started to follow along, our fingers traced the words on the page, and we began to truly understand the magic of storytelling.

Sharing these special moments with our moms made us feel safe, supported and loved.

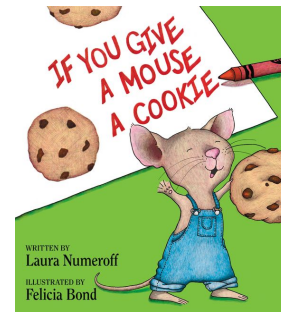

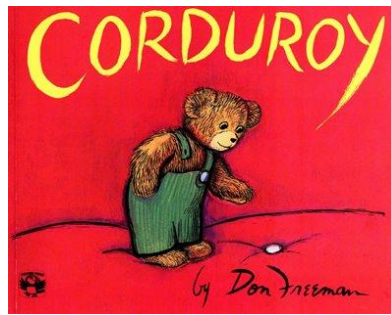

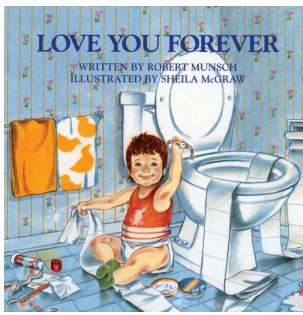

"WE THANK YOU FOR THIS PROGRAM. IT HAS BROUGHT US CLOSER AS A FAMILY AND IS RESTORING FAITH BACK INTO OUR LIVES."
