## *What's New with Reading Legacies?*

### **Barnes and Noble Book Fair**

Thanks to the generosity of our supporters, we received over 200 new, paperback children's books through our Barnes and Noble Book Fair! These special stories will be used to connect families who are separated due to incarceration.

We are overwhelmed with gratitude and look forward to utilizing the books in our programs this fall!

### **Reading Legacies Story Corner**

We're excited to announce that we will be expanding our space at Liberty Station to further engage the San Diego community! We'll see you soon at the Reading Legacies Story Corner, located in Barracks 15.
